

# OFFICIAL MOBILE APP

- Authentication
- Check-in
- Other interactive features

# Authentication

Access the app & select the «Check-in» button

You may login in two different ways

# Authentication

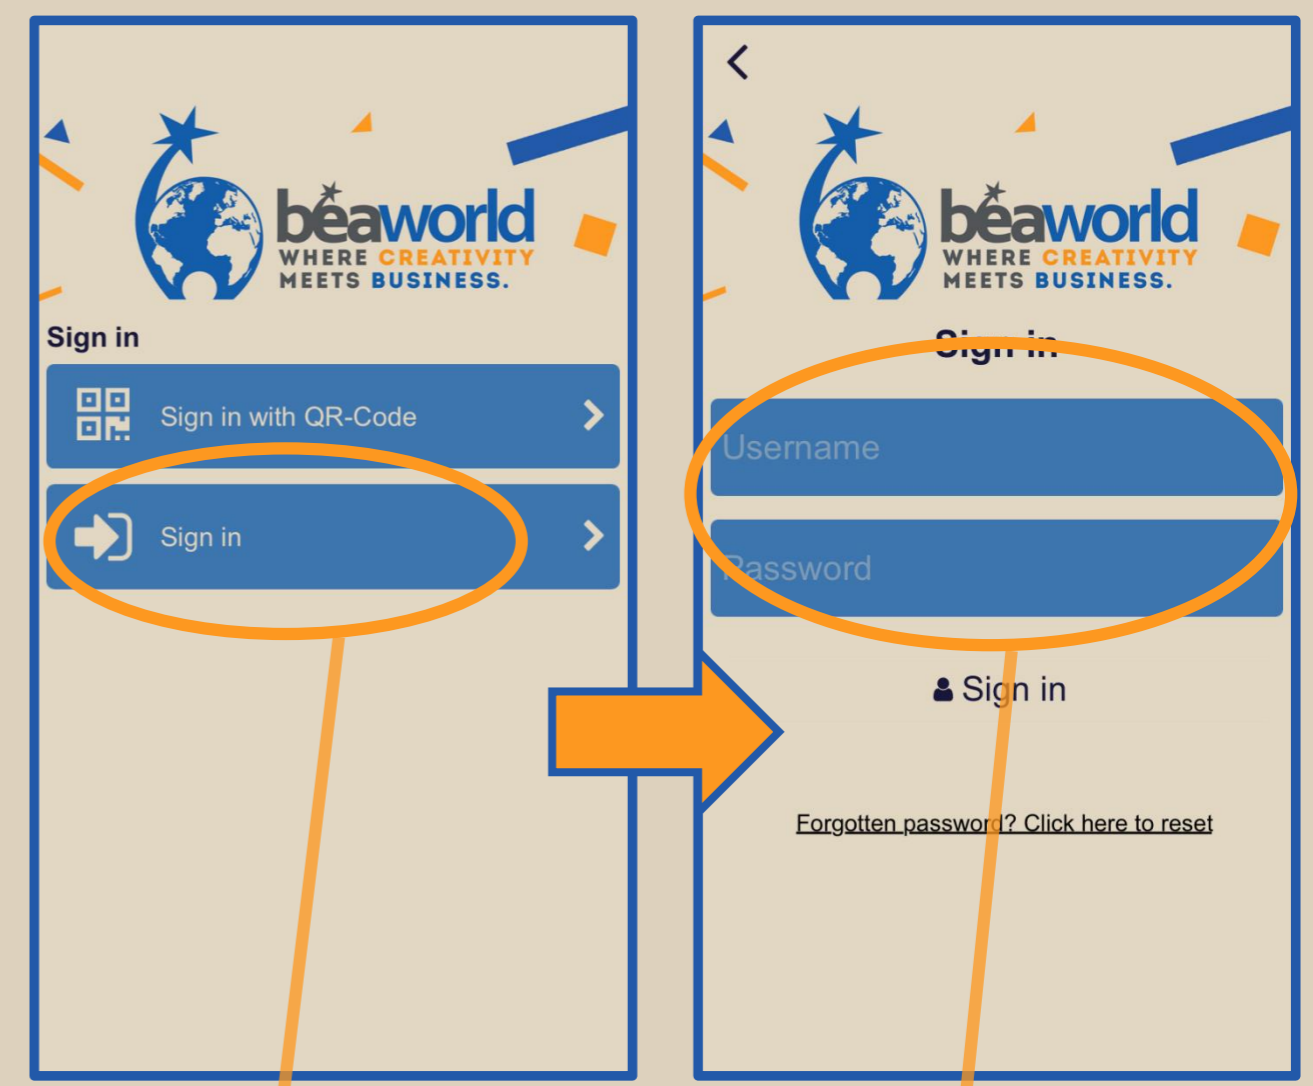

## Option 1: QR Code login

Select «Sign in with QR-Code»

The app will open your camera. Scan the QR Code by placing it in front of your camera.

## Option 2: Manual login

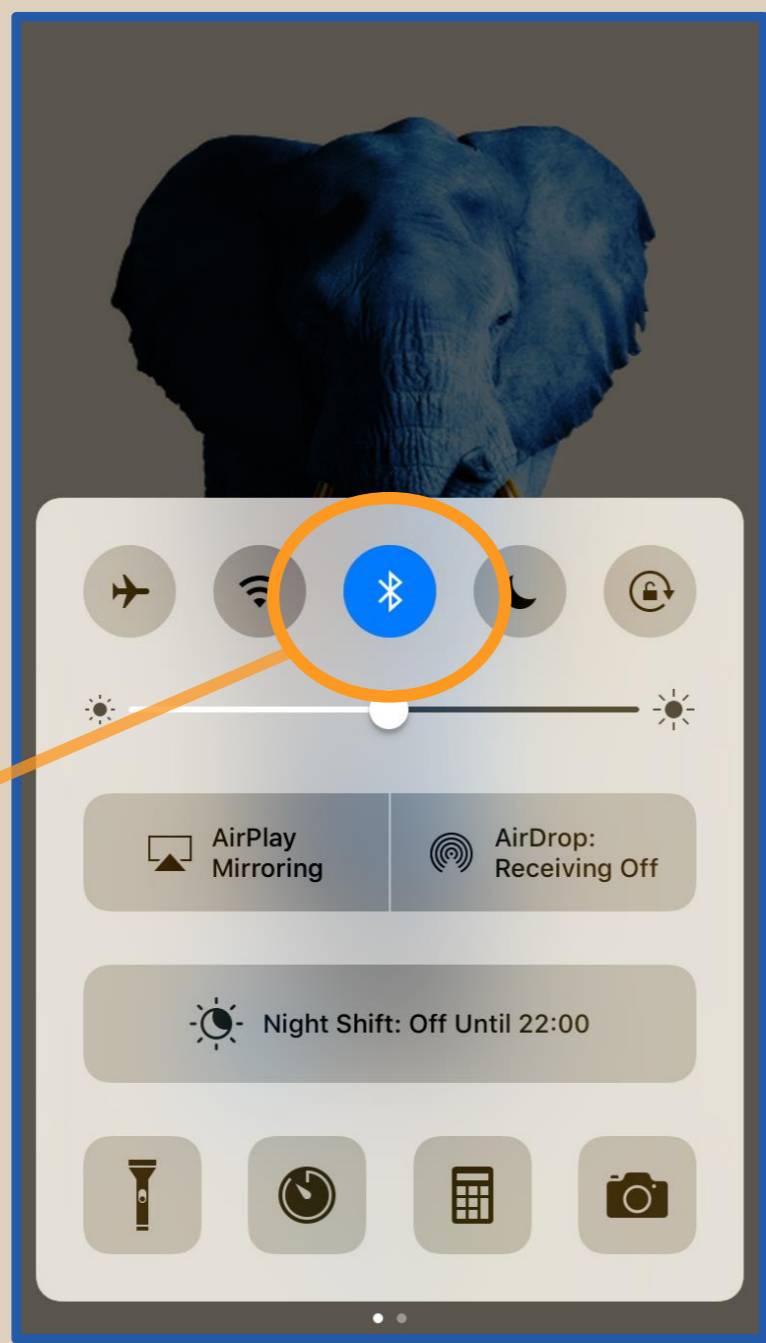

Select «Sign in»

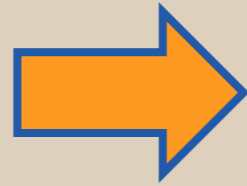

Enter your username and password.

**Username:** the email you have registered with.  
**Password:** bw2017

# On site check-in

Turn on your Bluetooth

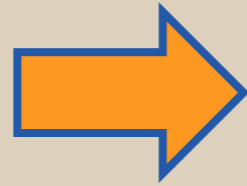

Select «Check-in» again on your home screen

# On site check-in

You can now check-in by selecting «Check-in» in the pop-up window

Once the green light appears, simply show it to the staff and access the Festival!

# Other features

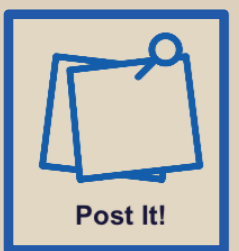

Enjoy Bea World Festival to its fullest by using the interactive functions of the mobile app.

**People's Choice Award:** vote for your favourite event. The most voted one will receive an award during the Awards Ceremony

**Sign Up:** register for the Challenge Sessions, the Experiential Labs and the Leisure Activities

**Post It!:** ask questions to the speakers and get the answers from them in the Speakers' Corner or during their session

**Social Feed:** post your comments, pictures and videos, like the other delegates' posts and share everything on the social networks

**Surveys:** answer the questions from the speakers on stage and see live the results of the survey

**Help Desk:** need help or information about the Festival, your accommodation or want to book a transfer? Send us a message!

**Elephant Run:** find the correct answers to the questions from the speakers and the sponsors in the Hall of Fame (Expo Area) and compete to win the title of "World's Most Curious Event Pro"

**Networking:** click on "Networking" from the drop down menu and chat with other delegates (first enable the chat option from your profile)
